## CYPRESS TITLE COMPANY

1

### LOCAL FOCUS, NATIONAL SUPPORT

The best of both worlds! Our partners are from the Central Valley community and we have the strength of a national company behind us. Cypress Title is a part of the Realogy Title Group family of companies who guides our day-to-day operations.

2

### STRENGTH IN NUMBERS

Realogy Title Group owns 50 title and escrow companies and operates in 48 states. We leverage our strength in developing technology tools and marketing resources to help real estate agents be successful.

3

### WE'RE OLDER THAN WE LOOK

Cypress Title was formed in 2015, but our partners, title sales professionals, escrow officers and valued team members have a rich history with the Central Valley. We put that knowledge to work every day for our customers.

4

### WE'RE ETHICAL, AND IT SHOWS

Our Realogy Title Group family has been voted one of the "World's Most Ethical Companies" by Ethisphere®, ten years in a row. That doesn't happen by accident. It's earned by making ethical choices every day, in every transaction, no matter how small or big.

5

### WE CAN OFFER A HELPING HAND

Title Resources Guaranty Company is one of the largest title underwriters and has earned an "A' Unsurpassed" financial stability rating by Demotech, Inc. When you have a transaction out of the area or out of state, we can provide a professional hand off to other Realogy Title Group partners to keep the transaction on track.

6

### KNOWLEDGE IS POWER

Our title sales professionals are invested in agents' success, so we provide many training classes and materials on Farming, Title 101, technology tools, and title and escrow education.

7

### HOME GROWN NEIGHBORS

The Cypress Title team is part of the Central Valley community and we give back. We work together with all partners in a real estate transaction to have more successful closings and strengthen the real estate market, but we also remember "the market" is made up of people, like you and like us.
